Back line requests for Industrial Puke:

Drums: 22x18 bass drum, 12x9 rack tom, 16x16 floor tom, 14x6,5 snare drum
4x boom cymbal stands, 1x hi-hat stand, single bass drum pedal, 1x drum throne
Please ensure all drum hardware is of good working quality

Guitars: 100w guitar tube amp heads for both guitarists.

Minimum one **4x12** guitar amp cabinet for each amp head.

Both guitarists (Jens & Marko) will bring their own pedals in front of amp.

Bass: Decent quality bass amp head. Minimum one 4x10 bass amp cabinet or more/bigger
Bassist (Erik) will bring pedals and request line signal from this to FOH as well as mic on cabinet if possible.

Vocals: Dynamic vocal mics (Shure SM58/Beta58 or equivalent) Straight stand for lead vox (Linus) and boom stands for backing vocals of good quality (K&M or equivalent).

Please! Backing vocal mic for guitarist Jens (stage left) **MUST** be wired (no wireless) because own delay pedal plus DI-box will be plugged in by Jens for just this mic. Others can be wireless, either is fine, but not on stage left, thank you!

Monitors: Need good quality monitors on stage. No in-ears will be used.

Promoter ensures an assigned space for merch sales
